

REQUIREMENTS FOR FILING A SECURITY PRINTER APPLICATION FOR APPROVAL TO PRODUCE CONTROLLED SUBSTANCE PRESCRIPTION FORMS

IMPORTANT: This application is for approval as a security printer. Beginning July 1, 2004, controlled substance prescription forms produced by approved security printers may be used by authorized prescribers to prescribe Schedule II controlled substances. As of January 1, 2005, controlled substance prescription forms produced by approved security printers are required for the prescription of Schedule II – V controlled substances. These changes are pursuant to [California Senate Bill 151 \(Burton 2003\)](#).

Security Printer applications must be reviewed and approved by the California State Board of Pharmacy and the California Department of Justice. You will be notified in writing of the approval or you may access the California State Board of Pharmacy Web site at www.pharmacy.ca.gov to determine if your application has been approved.

Please follow these instructions completely. Failure to submit the necessary items will delay the processing of your application. If the number of forms provided is not sufficient, please make photocopies. You will be notified of any deficiencies in your application. Please allow approximately 45 days from the time your application packet is submitted before calling the Board of Pharmacy.

Instructions for Submitting the Application Package

Application packages and policies and procedures can be submitted by mail to the California State Board of Pharmacy to the attention of *Security Printer Approval* at 400 R Street, Suite 4070, Sacramento, CA 95814-6308 or via email to Security_Printer@dca.ca.gov with your business name as the subject of the email. Please follow-up emails by sending the signed originals through the mail.

Please refer to www.pharmacy.ca.gov for more information. If you are unable to find answers to your questions at that Web site, you can contact the California State Board of Pharmacy via email at Security_Printer@dca.ca.gov or by telephone at (916) 445-5014 extension 4019.

CHECKLIST FOR FILING A SECURITY PRINTER APPLICATION FOR APPROVAL TO PRODUCE CONTROLLED SUBSTANCE PRESCRIPTION FORMS

ALL APPLICANTS

- [] 1) Security Printer Application for Approval to Produce Controlled Substance Prescription Forms (form 17M-49)
- [] 2) Policies and procedures that meet or exceed requirements outlined in [Health and Safety Code sections 11161.5 et seq. and 11162.1 et seq.](#)
- [] 3) Copy of *Request for Live Scan Service* form (BCII 016) for the owner, all managing general partners, and all principle corporate officers, verifying that fingerprints have been scanned and all applicable fees have been paid.

OR

If the owner, managing general partner or principal corporate officer resides outside of California, you may still use Live Scan but must do so from a Live Scan site located in California. Otherwise, submit two completed fingerprint cards along with \$66. You may obtain fingerprint cards from the California State Board of Pharmacy Web site at: https://www.dca.ca.gov/pharmacy/secure/pharmacy_forms_request.htm or send a request via email to Security_Printer@dca.ca.gov.

Please refer to Fingerprint Requirements below and/or the Instructions for Completing a *Request for Live Scan Service* form on the last page of this application package.

FINGERPRINT REQUIREMENTS

California Residents

The owner, all general managing partners, and all principal corporate officers identified on the application must complete a Live Scan Request form and take all three copies to a Live Scan site for fingerprint scanning. Please refer to the Instructions for completing a "Request for Live Scan Service" form on the last page of this application package. Live Scan sites are located throughout California. For more information about locating a Live Scan site near you, visit the California Department of Justice (DOJ) website at: <http://ag.ca.gov/fingerprints/publications/contact.pdf>.

THE BOARD WILL NOT ACCEPT FINGERPRINT CARDS OR ROLLED FINGERPRINTS FROM CALIFORNIA RESIDENTS.

Fees are \$66 (includes \$32 California Department of Justice (DOJ) fee, \$10 FBI expedite fee, and \$24 FBI fingerprint processing fee). Additionally, the Live Scan site will charge a processing service fee (this fee can range from \$5 to \$45 depending on the site and whether or not you are a California resident.) Pay ALL fees at the Live Scan site. Results take approximately 10–15 days and are sent directly to the California State Board of Pharmacy.

The lower portion of the Live Scan Request form must be completed by the Live Scan operator verifying that your fingerprints have been scanned and all applicable fees have been paid. **Attach the second copy of the Live Scan Service form to your application package and submit to the California State Board of Pharmacy.**

Non-California Residents

If an owner, general managing partner, or principal corporate officer identified on the application resides outside of California, he/she may also use Live Scan but must do so at a Live Scan site in California. Otherwise, he/she must submit two sets of rolled fingerprints on fingerprint cards provided by the Board of Pharmacy and include a \$66 fee (\$32 California Department of Justice (DOJ) fee, \$10 DOJ expedite fee and \$24 FBI fingerprint processing fee). You can request fingerprint cards from the California Board of Pharmacy Web site at: https://www.dca.ca.gov/pharmacy/secure/pharmacy_forms_request.htm or by telephone at (916) 445-5014 extension 4019.

Please submit two completed fingerprint cards and \$66 with your application package to the California State Board of Pharmacy.

Fingerprints submitted on cards should be taken by a person professionally trained in the rolling of fingerprints. Fingerprint clearances from cards take approximately four to six weeks and the results are sent directly to the Board of Pharmacy (Live Scan is faster.) Poor quality prints may result in rejection. Rejection of the fingerprint cards will substantially delay approval of the security printer application. If fingerprint cards are rejected, you will be required to obtain new fingerprint cards from the board, have the fingerprints taken again, resubmit the fingerprint cards to the board along with another \$66 to process the fingerprints again and wait another four to six weeks.

THE BOARD WILL ACCEPT FINGERPRINT CARDS FROM RESIDENTS OUTSIDE OF CALIFORNIA ONLY. RESIDENTS OUTSIDE OF CALIFORNIA MAY ALSO USE LIVE SCAN; HOWEVER, THE OWNER, PARTNER OR PRINCIPAL CORPORATE OFFICER MUST GO TO A LIVE SCAN SITE IN CALIFORNIA. CALIFORNIA RESIDENTS MUST USE LIVE SCAN.
